Reading and Libraries

June 13th, 2012

Earlier this month, I attended my state's annual library conference.

There was a keynote, of course; and it was a good one, **New Librarianship's New Promise**, by R. David Lankes, with great observations, ideas, inspiration, and some laughs. Here is the PowerPoint (and I have to say it's the type of presentation I like, one that you don't understand unless you hear the speaker).
