- 
- The background of the slide is a composite image. On the left, there is a close-up of a vintage-style compass rose with a wooden casing and a metal needle. The compass is overlaid on a larger, semi-transparent compass rose that covers the entire background. In the center-right of the background, there is a bright yellow sunflower in bloom, set against a blurred natural setting. The overall color palette is dominated by blues, greens, and yellows.

Other Teacher Favorites

- 
- Technology for Interoperability Widely Adopted
 - Dublin Core, XML/RDF
 - Diverse Concepts and Operations of “Quality”
 - Large Volume of Good Information
 - Tends to Separate between Scholarship, Practice and Content
 - Scholarly and Content Communities Well Served
 - Users Tend to Stick with an Interface
 - Educator’s Reference Desk

Educator's Reference Desk

Flooding the Commons

- In K-12 Practice Little Guidance, or Voice
- Asymmetry in Information Input and Output
 - Plenty NCLB information, but little reporting infrastructure...Like Utah

Flooding the Commons for K-12
