MacSeries Volumes

The MacArthur Series on Digital Media and Learning is a series of volumes that explore core issues facing young people in the digital world. You can engage with editors and authors of the Series in online dialogues open for public comment and reflection.

There are six Series topics, and they include:

Civic Engagement
Editor: Lance Bennett, University of Washington

Credibility
Co-Editors: Andrew Flanagin, University of California at Santa Barbara; Miriam J. Metzger, University of California at Santa Barbara

Ecology of Games
Editor: Katie Salen, The Parsons School of Design

Innovative Uses & Unexpected Outcomes
Editor: Tara McPherson, University of Southern California

Race & Ethnicity
Editor: Anna Everett, University of California, Santa Barbara

Identity
Editor: David Buckingham, University of London
