National Digital Library for Agriculture

The screenshot displays a web design concept for the National Digital Library for Agriculture. The header features a banner with a collage of agricultural images (a person, a globe, a tractor) and the site's title. A navigation bar includes links for Home, About NDLA, Partners, Help, and Contact Us. The main content area is divided into several sections: a welcome message and breadcrumb trail, a search bar with a 'Go' button, a 'Spotlights' section with a 'More' link, and two featured content areas labeled 'Consumer's Corner' and 'Researcher's Corner'. On the right side, there are two vertical panels: 'I Want To...' with a list of links (Subscribe to Agricultural Newsfeeds, Ask a Question, Find Information about Conferences, Find Library Materials, Recommend Materials for NDLA) and 'Geographic Information' featuring a map of the United States, a link to 'Local Experts (County Extension Agents)', and a 'Your Local Weather Forecast (NOAA)' section with a 'City, St or Zip' input field and a 'Go' button. The footer contains a 'Last Modified' date and a list of links including NDLA Home, National Agricultural Library, USDA, GPO Access, Policies and Links, FOIA, Accessibility Statement, Privacy Policy, Non-Discrimination Statement, Information Quality, USA.Gov, and White House.
