To Improve Society Through Facilitating Knowledge Creation in their Communities

My Mission:

Transform the Field to where Librarians are Valued for their Credibility and Intellect and not for the Artifacts they Maintain

Rich Girl Love, Angel, Music, Baby

Hey Jeff, do you know where I can find the lyrics to this song?

Hold on...

Rich Girl

Hey Jeff, do you know where I can find the lyrics to this song?

Hold on...

Here's a Scape someone did on the lyrics, I'll bring it in.

Rich Girl

[2x]

If I was a rich girl (na, na....)

Think what that money could bring

See, I'd have all the money in the world, if I was a wealthy girl No man could test me, impress me, my cash flow would never ever end Cause I'd have all the money in the world, if I was a wealthy girl

I'd buy everything Clean out Vivienne Westwood In my Galliano gown No, wouldn't just have one hood A Hollywood mansion if I could Please book me first-class to my fancy house in London town

All the riches baby, won't mean anything All the riches baby, won't bring what your love can bring All the riches baby, won't mean anything Don't need no other baby Your lovin' is better than gold, and I know

If I was rich girl (na, na...)

See, I'd have all the money in the world, if I was a wealthy girl No man could test me, impress me, my cash flow would never ever end Cause I'd have all the money in the world, if I was a wealthy girl

I'd get me four Harajuku girls to (uh huh) Inspire me and they'd come to my rescue I'd dress them wicked, I'd give them names (yeah) Love, Angel, Music, Baby Hurry up and come and save me

All the riches baby, won't mean anything All the riches baby, won't bring what your love can bring All the riches baby, won't mean anything Don't need no other baby Your lovin' is better than gold, and I know

[Eve]

Come together all over the world From the hoods of Japan, Harajuku girls What, it's all love What, give it up What (shouldn't matter 4x) what
