Killing the User and Other Necessary Acts

R. David Lankes
Slides and Screencast
http://www.DavidLankes.org

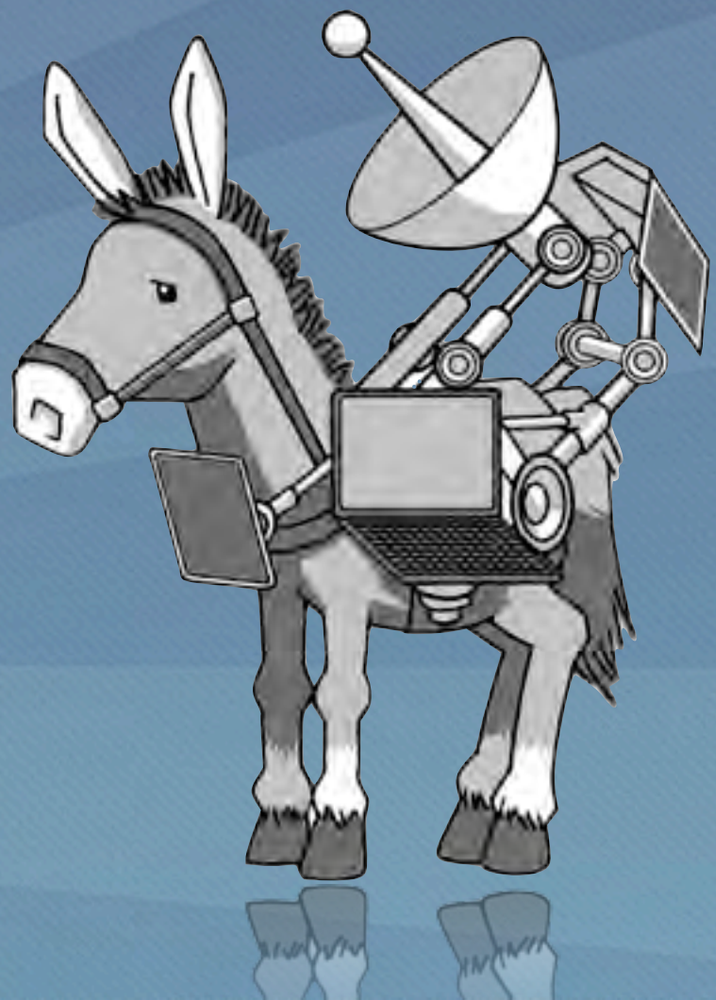
“It is time to stop all ‘next generation’ catalog conversations, and ensure that this is the last generation of catalogs provided for public consumption ”

"It is time to stop all 'next generation' catalog conversations, and ensure that this is the last generation of catalogs provided for public consumption "

"Adding social features to a catalog is like staple gunning a satellite dish to a donkey"

"It is time to stop all 'next generation' catalog conversations, and ensure that this is the last generation of catalogs provided for public consumption "

"Adding social features to a catalog is like staple gunning a satellite dish to a donkey"



Killing the User and Other Necessary Acts

You are not a user, you are not a customer, or consumer - you are a participant in control of your world and able to shape your own learning and environment...

You are not a user, you are not a customer, or consumer - you are a participant in control of your world and able to shape your own learning and environment...

So are those we seek to serve.

Knowledge System

You are not a user, you are not a customer, or consumer - you are a participant in control of your world and able to shape your own learning and environment...

So are those we seek to serve.
