

# New Librarianship and Resource Sharing

R. David Lankes

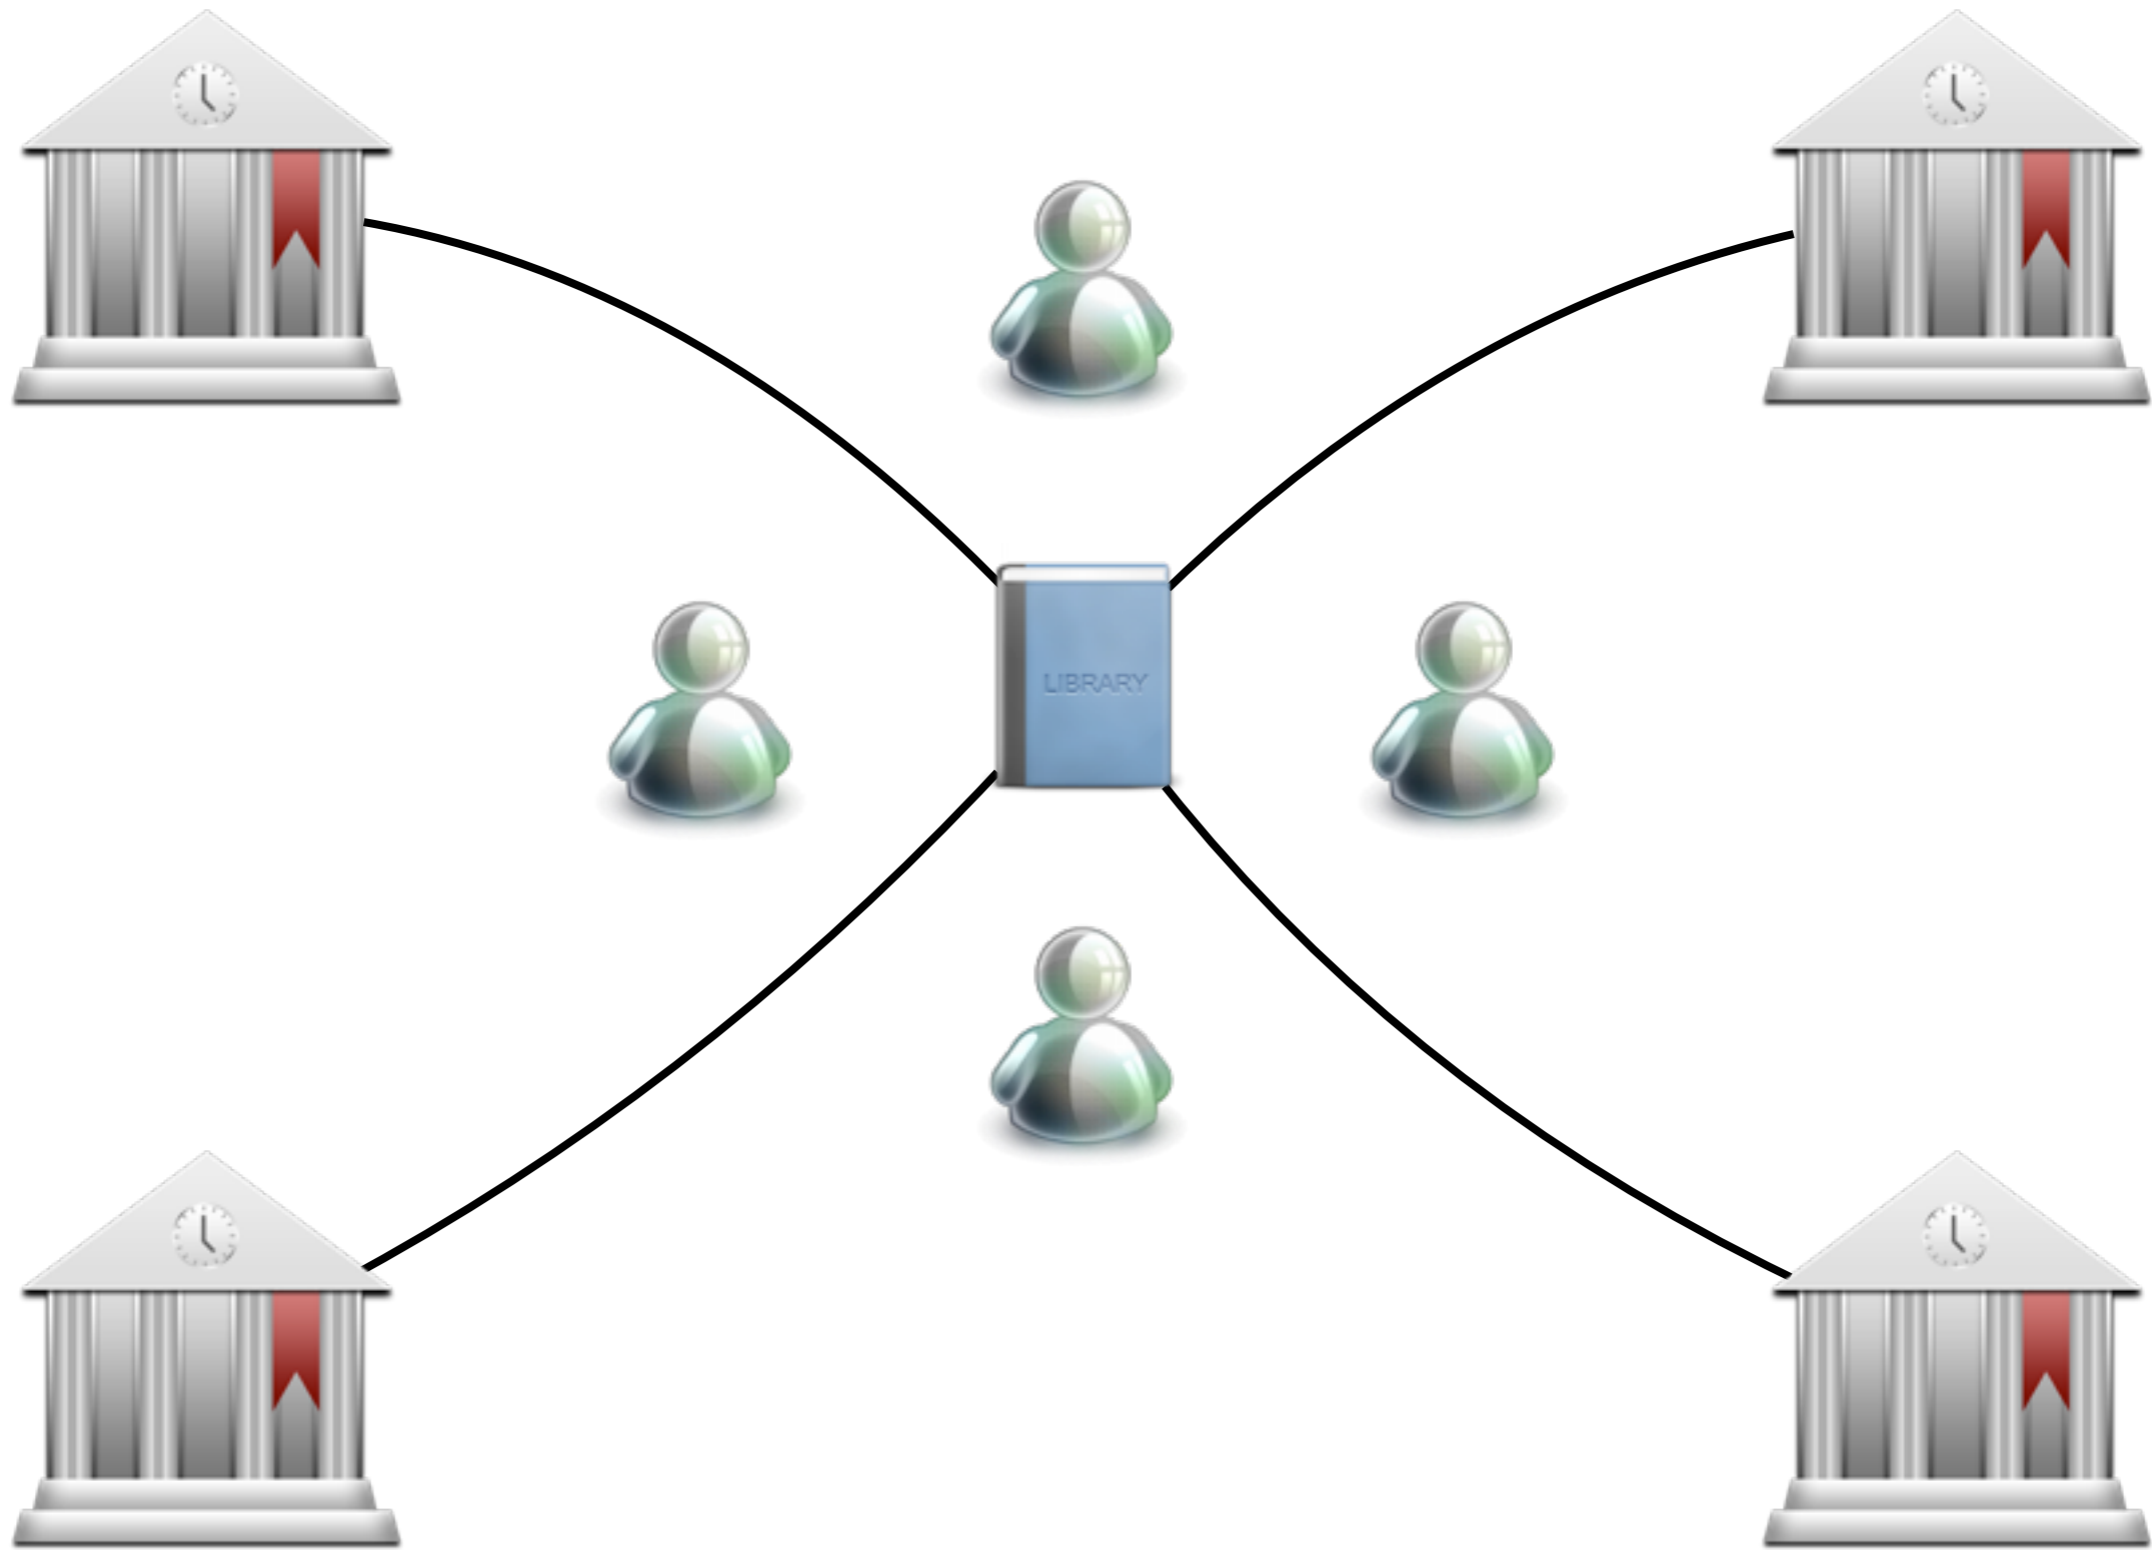

# Redefining a Resource

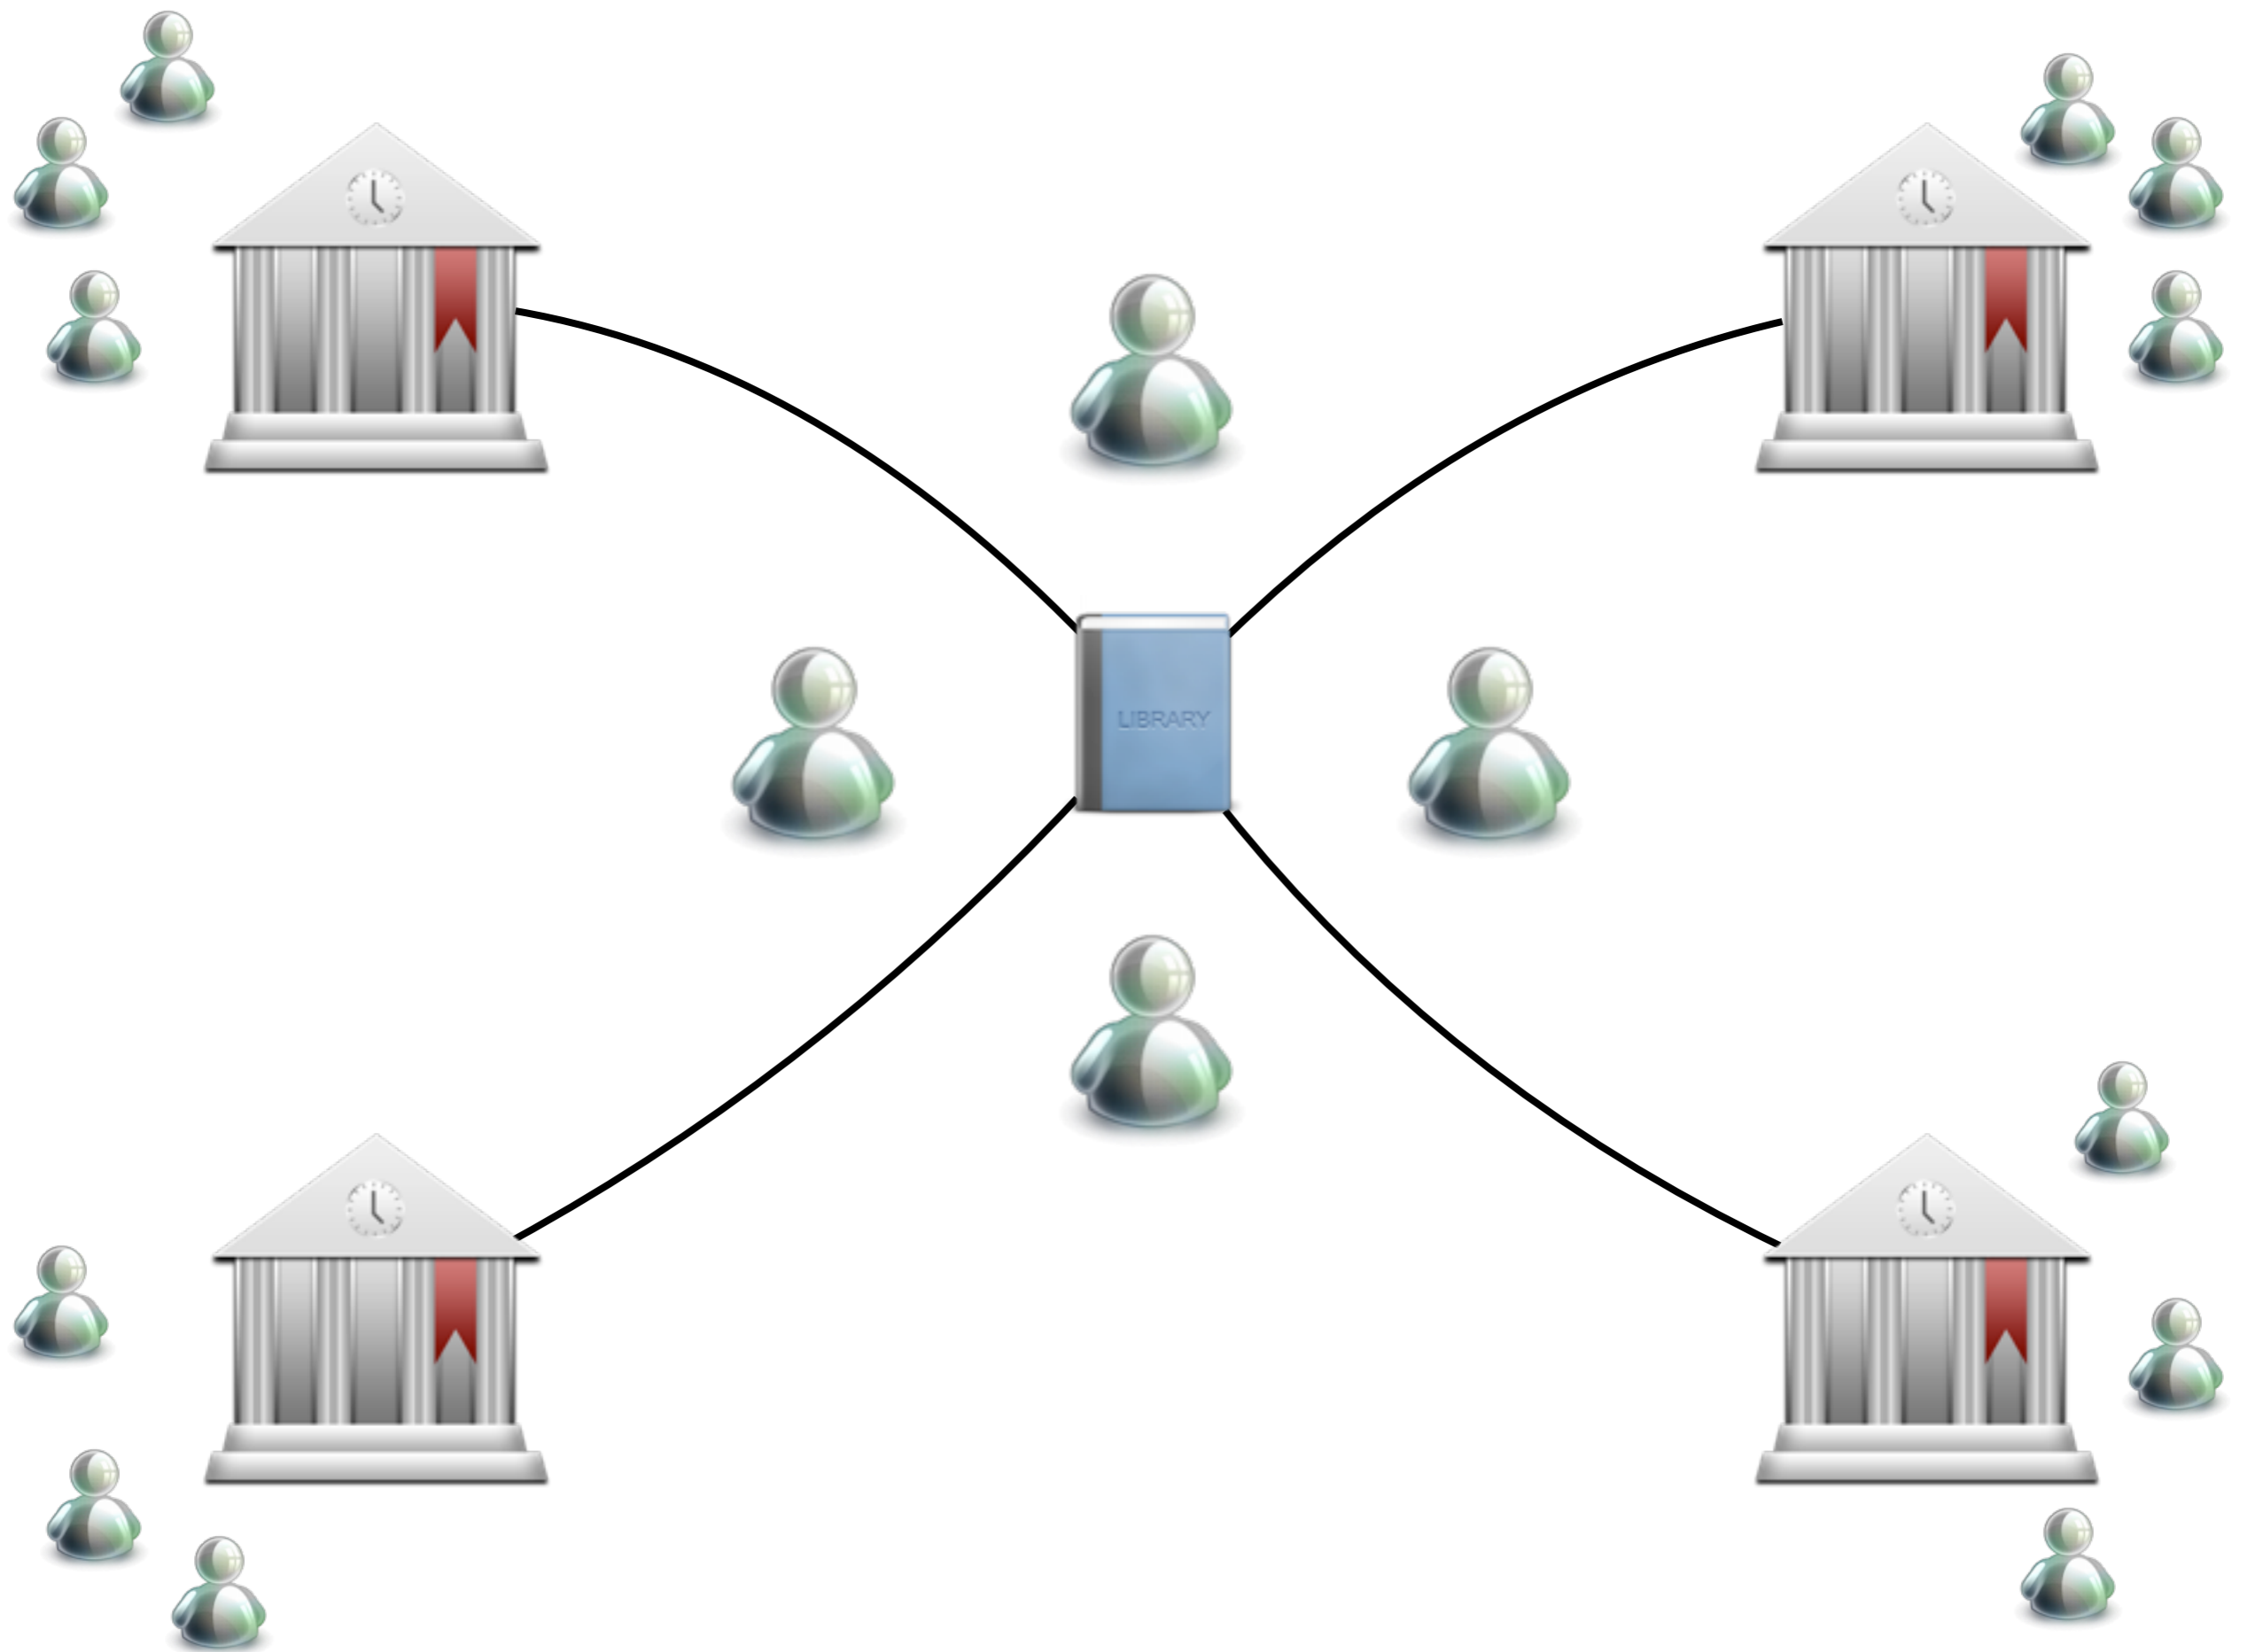

- Libraries Have Pioneered Resource Sharing:
  - Books, Consortial Collection Development, Interlibrary Loan
- Focus Has Been On Owned Materials
- We Must Expand This to Include Communities and Expertise

Library as Platform

# Parts of a Library Platform

- Inventory for Owned Items
  - Metadata Repositories
- Community Profile Systems
  - Identity Management
    - “Inductive” Identity
- Publishing Platform of the Community

# Future is Bright for Library Platforms

- The Community Is The Core Collection
- Tools (Books, Databases, Etc.) Will Change
- Unique In The Information Infrastructure
- Ultimately About Our Mission: To Improve Society Through Knowledge Creation In Our Communities
